Dear Valued Customers,

MSC Mediterranean Shipping Company S.A. (MSC) is pleased to announce the addition of a second vessel to the Australian – Noumea service and also an extension of the profile to cover the Port of Tauranga, New Zealand.

MSC Mediterranean Shipping Company S.A. (MSC) recognises the importance of the New Caledonien Market and as such has committed a second vessel to the service, the M.V. Hoheplate. This change will also allow for permanent fixed berthing windows within Australia, Noumea and Tauranga and will ensure the product remains a weekly Blue ribbon service.

In addition there is a new opportunity to service the growing Brisbane Export market to New Zealand and also New Zealand Exports to Australia.

The Enhanced service will offer the following port coverage/rotation on a fixed weekly frequency;

#### **Sydney – Brisbane – Noumea – Tauranga – Sydney**

\*Note Melbourne and Fremantle are covered by a weekly feeding service that relays over Sydney.

VESSELS: JRS BRISBANE & M.V. Hoheplate

The new port rotation and weekly frequency will commence from JRS Brisbane 194A, ETA Sydney 24<sup>th</sup> May.

MSC Mediterranean Shipping Company S.A. (MSC) believes the new structure will provide greater opportunities for shippers and consignees through a broader service provision and will ensure a committed quality service is maintained.

We look forward to your continued support.
