

## SERVICE ANNOUNCEMENT

### CMA CGM launches its new service connecting Far East with New Zealand ANZEX

Meeting the growing demand of its customers to complement its existing South Pacific offer through the provision of a direct connection between Asia and New Zealand, CMA CGM has decided to launch a new fixed-day weekly direct service between Far East and New Zealand, the ANZEX service.

ANZEX schedule will be as follows: Port Kelang (Mon) – Chiwan (Sat) – Shanghai (Tue) – Pusan (Wed) – Suva (Wed) – Auckland (Sat) – Port Chalmers (Wed) – Lyttelton (Thu) – Tauranga (Sat) – Noumea (Wed) – Port Kelang.

- ANZEX is the only service in the trade to offer direct link to/from NEA to 2 ports of call in the North Island and 2 ports of call in the South Island.
- ANZEX will provide some of the fastest transit times to and from Far East from and to New Zealand and the call in CMA CGM's dedicated Port Kelang Hub will offer relay opportunities to and from South East Asia and to and from the rest of the world via the CMA CGM's global Service Network.

From ↓ To →	Suva	Auckland	Port Chalmers	Lyttelton	Tauranga	Noumea
Port Kelang	22	25	29	30	32	36
Chiwan	17	20	24	25	27	31
Shanghai	14	17	21	22	24	28
Pusan	13	16	20	21	23	27

From ↓ To →	Port Kelang	Chiwan	Shanghai	Pusan

## SERVICE ANNOUNCEMENT

- Record Transit Time from Asia to Fiji (Suva).
- Noumea customers will now have direct access to South East Asia and Far East markets, both inbound and outbound as well as imports from New Zealand and Australia, the latter being relayed on [PANAMA DIRECT](#) service via Tauranga.
- Papeete: New Zealand and Asia imports & exports will be relayed in Auckland using CMA CGM sister company ANL/USL [PNW](#) service.
- ANZEX will offer sufficient Reefer capacity to meet Trade requirements.
- ANZEX customers will take full benefit of CMA CGM Office Network in the Far East as well as in New Zealand and the Pacific Islands.

Since the commencement of services in New Zealand in 1997, CMA CGM has become an important part of New Zealand's international supply chain. The ANZEX service signals further expansion for the Group in this region and combines a number of key projects including a strategic relationship with Kotahi Logistics. CMA CGM sincerely appreciates the support and commitment of Kotahi Logistics in enabling this investment and looks forward to providing the ongoing delivery of long term and sustainable shipping services to its customers.

The new service will be effective with MV ANGLIA Voy. ZJ001S, ETA Port Kelang July 18th, 2011.

For more information, please contact your [local CMA CGM office](#).

July 1<sup>st</sup>, 2011.
