## **NOTICE TO CUSTOMERS FORUM PACIFIC V002**

We have just been advised by the vessel owners that the repairs to the cranes on this vessel are going to take longer than originally anticipated.

This departure of V002 will be delayed by approximately one week.

The revised schedule for V002 is as follows –

<b>PORT</b>	<b>ETA</b>	<b>ETD</b>
AUCKLAND	24 MAY	25 MAY
NUKU'ALOFA	1 JUNE	1 JUNE
VAVA'U	2 JUNE	2 JUNE
RAROTONGA	6 JUNE	6 JUNE

PDL sincerely apologises for the inconvenience that we know these delays will cause. Everything is being done to get these repairs done as quickly as possible. These repairs need to be undertaken to ensure that we have cranes that are both safe and reliable going forward. We will keep you updated should there be any changes to the above dates.

If you have any questions please do not hesitate to contact the undersigned or our Auckland Agents, McKay Shipping on 309 0229.
