

IMPORTANT CIRCULAR TO OUR VALUED CUSTOMERS NEW SERVICE TO NAURU

We are pleased to announce the commencement of our new shipping service to Nauru. The service will utilize our ship *Southern Tiare*, a geared, multi-purpose general cargo ship fitted for containers (dry and reefers) as well as break bulk cargo and vehicles. The ship, which has traded successfully and reliably in the south west Pacific for a number of years, will be based in Suva, Fiji, and will sail for Nauru every 21 days. Transit time between Suva and Nauru is approximately 7 days.

In addition to Fiji cargo to Nauru, the service offers both Australian and New Zealand exporters the opportunity to sell their commodities in Nauru. Cargo from our existing Australian and New Zealand ports (Melbourne, Sydney, and Brisbane; and Auckland) can be transshipped in Suva onto *Southern Tiare*. Our forward schedules will provide details of our connecting voyages for all of these load ports, and our usual agents in each port will assist you with bookings for transshipment cargo to Nauru.

The first sailing of *Southern Tiare* from Suva to Nauru is currently scheduled to depart 23 February 2011, with cut-off for receivals in Suva 21 February 2011. The ongoing schedule for the service is as follows:
