

15th May 2009

REVISED BUNKER ADJUSTMENT FACTOR & CURRENCY
ADJUSTMENT FACTOR –
PACIFIC ISLANDS / PNG SERVICE

Please be advised that with effect 1 June 2009, due to the recent rise in world fuel prices, the Bunker Adjustment Factor (BAF) for Swire Shipping's Pacific Islands and PNG Services will increase as follows:

Northbound and Southbound

Current Rates: USD 350.26 / TEU, USD 700.53 / FEU and USD 17.51 / RT

New Rates: USD 388.94 / TEU, USD 777.87 / FEU and USD 19.45 / RT

Effective: **Arrival Melbourne MV Kokopo Chief v147N**
Arrival Melbourne MV Pacific Pathfinder v7001E

With effect 1 June 2009, the Currency Adjustment Factor (CAF) for Swire Shipping's Pacific Islands and PNG Services will decrease as follows:

Northbound and Southbound

Current Rates: 10.30% on all Australian Dollar (AUD) freight rates

New Rates: 6.85% on all Australian Dollar (AUD) freight rates

Effective: **Arrival Melbourne MV Kokopo Chief v147N**
Arrival Melbourne MV Pacific Pathfinder v7001E

These new charges will be applied to all cargo and are subject to adjustment.

For further information please do not hesitate to contact your local Swire Shipping representative or our Customer Service Department in Australia on 1300 550 505 or in New Zealand on 0800 947 947.
