

North America Import/Export Equipment Detention

Hamburg Süd wishes to advise our customers of increases to our Equipment Detention charges for all USA North Bound and South Bound cargoes.

Effective January 1, 2010, our equipment detention rates after free time expiry will be as follows:

	Old	New
20'DC	US\$75	US\$85
20'OT/FR	US\$100	US\$100
20'RFR	US\$150	US\$165
40'DC/HC	US\$100	US\$100
40' OT/FR	US\$125	US\$140
40' RFR	US\$175	US\$225

A. Free Time commences the next working day following the date of interchange.

B. Free Time

- | | |
|---|-----------------------|
| 1. All Dry Equipment. (Inc DC/HC/OT/FR, 20' or 40') | Five (5) working days |
| 2. Reefer Equipment (20' or 40') | Two (2) working days |
| * Exception for Reefers - Meat | Four (4) working days |

C. Saturday, Sunday, Holidays are excluded from free time calculations, but are included and chargeable once free time expires.

D. When a container is used by a motor carrier for a two-way (import / export) move, free time will be extended by two days.

E. Rates per day after free time expires will be billed to cargo interest:
