
INLAND TARIFF FUEL SURCHARGE **Northbound USA / Canada / Mexico**

Fuel Surcharges from our North American Rail and Trucking vendors have adjusted, requiring us to revise the Inland Tariff Fuel Surcharge.

Hamburg Sud would like to advise with effect from 1st January 2010 the Northbound Inland Fuel Surcharge will increase from 15.0% to 16.0%.

Ex New Zealand, the revised fuel surcharge will apply to North American, Canadian and Mexican tariff inland costs for cargo received from the following vessels;

▪ **USA East Coast / Canada via Panama:**

Cap Byron 954: ETD Timaru 3 January / Port Chalmers 4 January / Napier 6 January /
Tauranga 7 January / Auckland 8 January 2010

▪ **USA West Coast / Canada PNW:**

Paranagua Express 790: ETD Auckland 10 January 2010

▪ **USA West Coast / Mexico PSW:**

Cap Reinga 154: ETD Tauranga 8 January 2010

▪ **Mexico via Asia:**

ACX Diamond 98: ETD New Plymouth 3 January / Nelson 4 January / Lyttelton 5 January /
Napier 7 January / Tauranga 8 January 2010

The inland fuel price situation is being kept under review, and we will advise you as and when any further adjustments, either upward or downward, become warranted.
